To whom it may concern,

Fingal Pest Control has been our pest control contractor for 12 years. In that time we have often called them out on Saturdays and Sundays for a rat sighting or a wasp nesting and they were here within 20 minutes.

We have found the personnel always courteous, efficient and professional in any queries we may have.

If you have any queries please do not hesitate to contact us.

Kind Regards,

  
Margaret Moynihan  
Secretary.
